Mini Shapes and Cards

The idea of giving a gift that grows just got *smaller*! Our mini's are a delightful giveaway or complement to that special gift. Mini Shapes are approximately 2 - 1/2" tall and come in a mini poly gift bag. Your logo and message is printed on the bottom of the planting instructions. Mini cards are 3 1/4" x 4" (folded to 2" x 3 1/4") and resemble florist sized enclosure cards. They are available in any of the papers we carry, and come with a mini insert with planting instructions and your message and logo printed at the bottom. The cards are packaged in white coin envelopes. 5R2S
